# NEW Product Announcement!

## SmartTRAK MAGNETIC LOCATOR

The SmartTRAK is your smart choice for locating manholes, steel covers, septic systems, corner survey markers, cast iron pipes, iron valves, and re-bar. The ST100 series feature one-handed operation with pinpoint accuracy and large visual display.

High-grade waterproof speaker for superior acoustic output

Precision-crafted ergonomic and balanced design for one-handed operation

Large LCD screen for visual search results

Robust housing and waterproof tube and tip (IP67) allows locating in the toughest environments

Smart+ and Erase features help you to locate only the objects desired by determining which are vertical objects (ST102 model only)
